As Time Goes By

You must remember this a kiss is still a kiss

a sigh is just a sigh

the fundamental things apply - as time goes by

And when two lovers woo they still say "I love you"

on that you can rely

no matter what the future brings - as time goes by

Moonlight and love songs, never out of date

hearts full of passion, jealousy and hate
A woman needs man, and man must have his mate

It's still the same old story  a fight for love and glory

a case of do or die

the world will always welcome lovers

as time goes by
